24th Annual Pantomime*

Cinderella

It's that special time of year when you can throw sensibility to the wind and scream and shout to your heart's content—hopefully in the right bits!

As a relatively new member of the club I feel privileged to be able to direct this year's show. The cast, crew and production team have been hard at it for several months rehearsing, building, painting, sewing and taking part in all of the vital tasks to ensure that not only does the show go on, but that the high standards that you have come to expect are not just met, but hopefully exceeded.

You may notice that the script is not quite a traditional version of Cinderella, but due to the high standard of cast we just had to make one or two small additions.

I would like to thank all the rest of the creative and production team for making my vision come alive.

One final thought to leave you with: Life is often a fairytale but if you lose a shoe at midnight, you're probably drunk. Have a great night!

News from the Club

Well it's been another great year for the club, starting with our fantastic youth show, "Big Bad & Little Red", followed by our hilarious theatre club comedies, "Last Panto & Last Tango in Little Grimley". Great fun for all!

We've got a whole lot more planned for you for next year, with another youth show, possibly more Little Grimley and perhaps even working up to a full scale musical in 2016!

We always love to see you, our fantastic audience, and we'd like to thank you all for being such great supporters and making this community theatre club one of the very best!
