

# **Note from the Director.**

**I cannot begin to explain how exciting and eventful this whole process has been, though I'll admit I had NO idea what I'd committed to. Had it not been for the encouragement, support and guidance from the cast and crew, parents and the CTC committee, this show would most likely never have been brought to you. I wish to take this opportunity to thank these people, and I hope they have found the experience as instructive as I. It is most empowering to look back upon a few months and think how quickly the ideas of a small group of people can evolve when you are working with people great at what they do. We have all learnt so much over this short period of time, and I am sure the new knowledge will be exercised in future plays (as juniors or adults in the club), or in the annual pantomime, in which all are encouraged to take part.**

**Many thanks, CHRISTOPHER**
