## Programme

A NODA Panto  
by Peter Denyer

## Welcome Panto lovers!

"Aladdin's" return to Culter is well overdue!

It's fifteen years since you last saw C.T.C's magical production of this, one of the country's favourite pantomimes! In fact, it's so long ago, that our Director (aka the Wifie Cowie), actually strutted her stuff as Aladdin himself in that production!

Now that's scary!

We've had a very hectic but enjoyable couple of months preparing for this week. You'll spot a few "weel kent" faces up there, but we're also pleased to introduce our talented new members.

I'd like to thank both the cast, for their hard work, dedication and good humour and the production team, for their talent and tireless efforts, without which, none of this would be possible.

Now - - - - feel free to laugh, cheer, clap, boo, hiss, shout and sing - - - - in the correct order, of course!

Enjoy the show!

Jen Cowie

## Other Thank You Notes

The Cast and Crew hope you all enjoy our Pantomime and wish to express our gratitude to two special families who have made it a lot of fun for us and (we hope) for you;

### The Skinners;

Jim, Alison, Rachael, Shawn, Hamish and Robin.

Who have made sure that everything;

Looks right, sounds right and works right  
(or raises a laugh when it falls apart)

### The Cowies

(Too many to mention but Jen especially)

Who have coaxed the best out of the words and the moves,

And got the posters and programme printed!

And, finally,

Thank you to **Kelly of Cults**

For the loan of their Shopping Trolley.
