Don't Let The Bug Bite'

Imagine: We all get through Millennium Night without any problems; planes don't crash, hospitals still operate, and our computers have not exploded. All's well that ends well. Or so you think....

Now imagine: Some P7 pupils get their hands on the last surviving Millennium Bug and try to plant it in Cults Academy, in an attempt to grind the school to a halt forever. Will they succeed or will the authorities manage to stop them in time? Find out in this musical tale of spies, contra-spies, secret agents and action heroes. Whoever wins the race against the clock, you are sure to enjoy a night of laughter, foot-tapping song and dance, and traditional Culter entertainment.
