## Eco - Panto !!!!

*The Aberdeen by-pass has caused great concerns for the people of Aberdeen – and Panto Land is no exception! The woods, through which Little Red Riding Hood walks to visit her Granma, are in danger of being bulldozed down for the new by-pass, Oh dear!! I feel a 'fight' coming on between the Tree Protesters, with Little Red Riding Hood as their champion and the Woodcutters, led by the 'handsome' Peter.*

*Add to this the 'evil' Wolf and his sidekick Delia the Dippy Cook, and we are all in for a wild adventure.*

*It's up to you – the audience – to help Little Red Riding Hood save the Forest, and just as important, save herself from the Wolf!*

*This is an entirely original production for Culter Theatre Club, written by one of our very own members Pauline De Koning, (who is also our esteemed director!) It is the second of Pauline's original productions for the Club, the first being 'Don't Let the Bug Bite' in 2000*
