Cinderella

Welcome to Culter Theatre Club's 32nd annual panto, Cinderella. We have all worked very hard this year—script writing started back in April, and we have been rehearsing since the end of August.

A lot of work goes on behind the scenes to bring our shows to life on stage, and I want to give special thanks to Lindsey Masson (our Musical Director) and Carla Barber (our Choreographer) for all the hard work they put into the show—they really are the heart and soul of the production. Mary Sommerville has produced some wonderful costumes this year—keep a look out for a very special bit of dress magic during the show.

Our technical team and stage crew are also an essential part of the production, and lastly a big thanks to our wonderful cast for bringing their energy and enthusiasm to the show. So, sit back and enjoy our magical tale of Cinderella.

Kerwin Robertson

Director

As ever, I extend a massive thank you from everyone at CTC to all of you who are joining us once again this year, and to those of you who we welcome for the first time. We are incredibly grateful for your continued support in allowing us to put on our productions.

It has been a privilege seeing the hard work and perseverance of our extremely talented cast and crew, musicians, front of house volunteers, and our supportive parents coming together over the past three months to create the fantastic show which I hope you will enjoy today.

We have great fun putting our shows together, and are always on the lookout for new members to join us—both on and off stage. If you are interested, and even if you have no experience, please keep an eye on our Facebook or web page and get in touch.

We would love to hear what you thought of the show, so please find us on Facebook, comment, like, and share the word!

So, get ready to boo, cheer, sing and dance, and enjoy the show!

Culter Theatre Club was first established in 1991 and has run continuously ever since then. There have been many wonderful, amazing and talented people involved over the years, and we've put on many productions. We're a registered Scottish charity with the aim of encouraging the development, improvement and maintenance of interest in the Performing arts both within Peterculter and the surrounding district.

We work really hard to provide opportunities for both young and old, both on stage and off, and we're delighted that this year, once again, we have had an amazing team across the board. We also want as many people as possible, from both near and far, to be able to enjoy the thrill of watching a live theatre performance, which is why we keep the cost of tickets as low as we can.

Culter Theatre Club is proud to be a member organisation affiliated to the National Operatic and Dramatic Association, which is the national body that represents amateur theatre and provides a wide variety of support services for member organisations.

Whether you are staging a musical, an opera, a play, a concert or a pantomime, as the UK's leading amateur theatre membership organisation, NODA is here for every show, every rehearsal, every curtain call – here for our members every step of the way.

From just starting out to centre stage; village halls to professional venues; NODA exists to celebrate, connect, support and amplify amateur theatre and theatre groups across the UK.

We provide invaluable services, expertise and resources - that help thousands of our member groups create and produce theatre, that enhances lives and benefits communities everywhere.

Whatever your passion, level of experience or stage of life, we are here to help everyone enjoy the unique benefits, opportunities and sense of community that live performance can bring.
